

Inclusive Curriculum Design

- Lesson plans cater to a wide range of abilities and provide adaptations for pupils with SEND.
- Activities are designed to be accessible to all, ensuring no child feels excluded due to physical, cognitive, or emotional barriers.

Representation in PE Activities

- The platform includes a variety of activities and movement styles from different cultures, promoting global awareness.
- Dance units feature culturally diverse styles (e.g. Mayan, Latin American, Bhangra) .
- Games from different heritage backgrounds.

Gender Equality and Breaking Stereotypes

- We challenge gender stereotypes by promoting equal participation in all sports.
- We encourage a growth mindset where all pupils feel capable of succeeding in physical activities, regardless of gender.

Diversity in Get Set 4 PE

Focus on Inclusion and Wellbeing

- Through Social and Emotional skills written on every lesson, we encourage values such as respect, teamwork, and understanding, promoting an inclusive environment.
- Through SEND strategies, we ensure pupils can participate regardless of need.

Community and Social Cohesion

- Encourages activities that build social cohesion, helping pupils from different backgrounds work together through sport.
- Provides Active Families resources for communities to play together.
