

Dear parents/carers,

What an *eggciting* time of year! Spring is springing all around us and we are looking forward to the Easter celebrations. This year to mark the celebration, we are starting a brand-new competition. Previously we have designed an Easter egg competition with the children and this has been a huge success. This year, I am challenging you all to get a little more creative! As a family, we would like you to decorate a boiled egg. The possibilities are endless, you can turn your boiled egg into something *eggstraordinary*! Simply boil an egg, get crafty and bring it into school on Thursday 30th March. Our Judges will then choose 3 winners from each Key stage. I cannot wait to see your *eggcellent* creations, ready, steady, boil!

Miss Beaumont
