

Dear parents and carers,

We would really like to celebrate children's achievements both in and outside of school. To help us do this we will be creating a celebration board, which we will update half termly with some of the children's significant achievements outside of school. Please send along anything you think your child could be celebrated for by e-mailing a copy/photo to info@maidens.dudley.sch.uk

It might be winning a competition, being involved in a charity event or receiving a special award at a club they attend. As we cannot put all children's achievements on the wall straight away, we will choose a selection each half term from the submitted e-mails.

We look forward to hearing about them.

Thank you

Mrs Morgan

Deputy Headteacher
