

Dear parents/carers,

What an *egg*citing time of year! Spring is springing all around us and we are looking forward to the Easter celebrations. Last year you blew me away with the egg scenes you created and you really thought outside of the *egg*box. Due to the success of this, we are relaunching it this year.

As a family, we would like you to decorate a boiled egg. The possibilities are endless, you can turn your boiled egg into something eggstraordinary! Simply boil an egg, get crafty and bring it into school on Thursday 21st March. Our Judges will then choose 3 winners from each Key stage.

I cannot wait to see your *egg*cellent creations. Ready, steady, boil!

Thank you.

Miss Beaumont
