

Dear Parents and Carers,

What a cracking time of year it is! With spring blossoming all around us, we're excited to celebrate Easter.

Last year, I was truly amazed by the egg scenes you created, and your creativity really went beyond the shell. So we are bringing it back! I cannot wait to see how your creativity has expanded.

We invite you and your family to decorate a boiled egg. The possibilities are endless—you can transform your egg into something truly eggstraordinary! Simply boil an egg, get creative, and bring it to school on **Wednesday 9th April**. Our judges will select 3 winners from each Key Stage.

I'm looking forward to seeing your eggcellent creations. Ready, set, boil!

Thank you
Miss Beaumont
